

RESOLUTION

ADOPTING REVISIONS TO THE PUBLIC INFRASTRUCTURE MAP FOR THE KOOLAULOA SUSTAINABLE COMMUNITIES PLAN AREA, KOOLAULOA, OAHU, HAWAII.

WHEREAS, approximately 175 homes out of 720 homes in the Laie community have sewer service; and

WHEREAS, the remaining homes use aged cesspools that are performing poorly; and

WHEREAS, expanding the existing wastewater collection system to include these currently unsewered homes, businesses, and institutional uses will provide a significant benefit to the environment; and

WHEREAS, expansion of the existing wastewater collection system will allow previously discharged raw wastewater from unsewered homes to be collected and treated to a fairly high level (R-1) of treatment; and

WHEREAS, the treated R-1 water will be used primarily for irrigation, that provides another water resource for the community; and

WHEREAS, the Public Infrastructure Map for the Koolauloa Sustainable Communities Plan area has been adopted under Resolution 00-39, CD1; and

WHEREAS, the Laie Wastewater Pump Station shown on Exhibit A (Location Map) is consistent with the General Plan and the Koolauloa Sustainable Communities Plan; now, therefore,

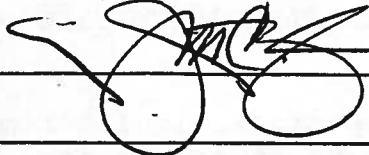

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Koolauloa Sustainable Communities Plan be revised to include a wastewater pump station symbol for this project; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu that the wastewater pump station symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the improvements have been certified in writing by the applicant/agency to the Department of Planning and Permitting and the City Council.

RESOLUTION

BE IT FINALLY RESOLVED that the Clerk is directed to transmit a certified copy of this resolution to the Director of Planning and Permitting and to the Director of Design and Construction.
